Dear SENATOR McCain

I am writing this letter to sound my displeasure, at the BLM and its effort to ban all recreational shooting at the Ironwood Forest National Monument, in all 128,000 acres of forest. I am a disabled American veteran who served this nation to help preserve our individual rights. I am a member of the NRA and believe strongly in our 2nd ammendment rights to bear arms.

I find this effort, to be a flagrant attack on my and other law abiding citizens rights ,to use and enjoy our national forest and lands. We as registed voters an tax paying citizen, are constantly being challenged to exercise our rights, as free and honorable people! I also beleive that if the BLM and powers to be, adopted Alternative C ,then ALL recreational shooting will be banned. This must not become the first step to ban all firearms and their usage on Federal lands! We as a free nation must fight to maintain our Constitution and our way of life. VOTE NO ON THIS ISSUE!!!!

Sincerely,

Ex. 6

Dear Senator McCain:

This is in response to your letter dated April 3, 2007, in response to your constituent, Ex. 6 from Ex. 6 Arizona. The letter pertains to our recently published Draft Resource Management Plan and Environmental Impact Statement (Draft RMP/EIS) for the Ironwood Forest National Monument. The Draft RMP/EIS analyzed many actions to protect the Monument's resources. Among them is a suggestion to close the National Monument to recreational target shooting. Hunting would continue, managed by the Arizona Game and Fish Department, as it has in the past.

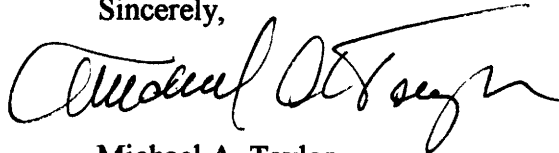

The letter, and others like it, are considered public comments to the Draft RMP/EIS and should be forwarded to the following address. By copy of this letter, we have forwarded this comment for consideration.
